Simon, or Shimmun, as he was known there. His identity was not further established, but the story of the outpast of lows:

"Dr. Shimmun was in the village of Suparghan when the Turks attacked that place. He was among those who took refuge on a mountain near the lakes, lie was captured and told that since he had been a good doctor and had helped the wounded, they would not kill him, but that he must accept the Mahometan faith. He refused.

"They poured oil on him, and, helder applying the torch, they gave him another chance to forsake his religion.

Again he refused, and they sat he was known there was a help without compassion, but she wished to preserve from oblivion the memory of an inexpiable crime. She wished to raise a monument that will recall without ceasing to the generations to come that France has for a neighbor a nation unworthy of the great ambitions she pursues, inhuman to the point of doing evil for pleasure, the only country in the world its language a monstrous word to express the loy of doing harm.

"Paris desired that the irreparable meurning of several families should serve for the instruction of the entire the memory of an inexpiable crime. She wished to preserve from oblivion the memory of an inexpiable crime. She wished to raise a monument that will recall without ceasing to the generations to come that France has for a neighbor a nation unworthy of the great ambitions she pursues, inhuman to the point of doing evil for pleasure, the only country in the world in the memory of an inexpiable crime. Who Are "They"?

"They" are the people you quote when you say "They aren't doing it this season," or "They are all going there now."

What "they" do governs the social life of cities-it makes plays succeed-it makes winter resorts fashionable. "They" have their pictures in

The Graphic Section

It's a sort of composite of "Theys" -in society, in political and military life -in stageland-in sports-wherever noteworthy people are doing noteworthy things.

You will never be unfamiliar with what "They" do if you tell your newsdealer that The Sunday Tribune must be a regular weekly caller at your home.
